

**PROTOCOL
AMENDING THE MEMORANDUM OF UNDERSTANDING
BETWEEN
THE MINISTRY OF HEALTH OF THE REPUBLIC OF INDONESIA
AND
FAMILY HEALTH INTERNATIONAL
CONCERNING
A COOPERATIVE PROGRAM IN HIV/AIDS**

The Directorate General of Disease Control and Environmental Health, Ministry of Health of the Republic of Indonesia (hereinafter referred to as "DG DC-EH") and the Family Health International (hereinafter referred to as "FHI"), collectively hereinafter referred to as "the Parties".

Desiring to amend the Memorandum of Understanding between the Ministry of Health of the Republic of Indonesia and the Family Health International concerning A Cooperative Program in HIV/AIDS (hereinafter referred to as the "MoU"), signed in Jakarta on March 10th 2006.

HAVE AGREED AS FOLLOWS:

Article 1

The title of the MoU shall be replaced by the following:

"Memorandum of Understanding between the Directorate General of Disease Control and Environmental Health, Ministry of Health of the Republic of Indonesia and Family Health International concerning A Cooperative Program in HIV/AIDS and Other Communicable Disease and Environmental Health Initiatives"

Article 2

Paragraph 1 of the MoU shall be replaced by the following:

"The Directorate General of Disease Control and Environmental Health, Ministry of Health of the Republic of Indonesia (hereinafter referred to as "DG DC-EH") and the Family Health International (Hereinafter referred to as "FHI"), collectively hereinafter referred to as "the Parties".

Article 3

Paragraph 3 of the Preamble of the MoU shall be replaced by the following:

Considering mutual needs and benefits in the improvement of public health services and the provision of medical assistance in Indonesia to strengthen public health services and other facilities in Indonesia, according to the objectives, strategies and policies formulated within the National Strategy for Health Development in general and environmental health in particular.

Article 4

The phrase "and other diseases and environmental health initiatives" shall be added after any reference to HIV/AIDS within the MoU, such stipulated in Article 1, Paragraph 1, 2, 3 and 4 of Article 2 of the MoU.

Article 5

Article 4 of the MoU shall be replaced by the following:

"This Memorandum of Understanding will be implemented collectively by the Parties. In the case that the involvement of other institutions related to the program is needed, the approval of the Parties is required".

Article 6

The contributions of FHI as stipulated in Article 6 of the MoU shall be added by the following:

10. Socialize all plans and activities of the program to the DG DC-EH,
11. Report the performance result periodically in a meeting forum.

IN WITNESS WHEREOF, the undersigned, have signed this Protocol.

DONE in duplicate at Arlington, Virginia on the *first* day of *November* and at Jakarta on the *fifteenth* day of *November* in the year two thousand and seven in the English language, both texts being equally authentic.

For the Directorate General of Disease Control and Environmental Health
